Volume 14

Welcome back from Winter Break! I hope everyone had an enjoyable time with family and friends. It's been amazing to watch our students get back into the swing of things here. Our teachers are committed to raising student achievement by delivering high quality, engaging lessons in all academic areas. Our reading incentive program is coming up in just a few short weeks and is an excellent way to engage and encourage kids to read. Keep a look out for additional information. I am looking forward to our Family Reading Incentive Night coming up in February. Happy New Year!

IMPORTANT DATES

January 29

No School– Grading Period Day

IMMUNIZATION EXCLUSION COMING IN FEBRUARY

If your child is not up to date with their immunizations, they will be excluded from school in February. Parents have received notification if their child is not in compliance. Please take the time to make arrangements with a health care provider.

BOXTOP COLLECTION MONTH

This is Boxtop Collection Month! Each class will be collecting Boxtops during the month of January. The class with the most Boxtops collected will receive a special prize in the month of February.

It's time to replenish your student's school supplies!

It is a good idea each new grading period to ask your child's teacher what items need to be replenished in the classroom or in your child's desk. Most classrooms are in need of pencils, erasers, crayons, markers, paper, glue and glue sticks. Please help us out by refilling these items regularly or ask the teacher what supplies she may need.

Don't Make Summer Vacation Plans Just Yet!

If we have more snow days in 2015-2016, there is a possibility that we might have to make up a few days at the end of the school year. District policy says if there are full-day, district-wide school closures because of bad weather, we may make up the first three (3) days at the end of the school year.

To be on the safe side, plan your family vacations to start at least a week AFTER school ends for the

Summer. Please note: Late starts and half days will not be made up. Only district-wide, full-day closures will require a makeup day.
