Volume 13

Dear Salem-Keizer Families,

In an effort to better allow schools to serve students, balance class sizes, staff accurately and align transfer windows, we are changing the In-District Transfer process to include two distinct windows for transfers at the elementary level. A similar process and change occurred at the secondary level two years ago. Elementary transfer requests will now be accepted March 1- March 30<sup>th</sup> for the transfer to occur at the beginning of the following school year, and November 1- November 30 for the transfer to occur after Winter Break. Due to the shortened notice of the change we will extend the Spring transition window this year only from March 1 - May 30<sup>th</sup>. If you are considering a transfer to another Salem-Keizer school for next year, please submit your request to your home school before the May 30<sup>th</sup> deadline to be considered for approval.

Thank you for your partnership and for sharing your children with us every day.

Family Literacy Night was a success! Thank you to our staff and everyone that supported our event. Harritt Elementary is a special place. We have some outstanding parent volunteers who continue to make Harritt Elementary a wonderful place to learn and grow. We appreciate all of the hours of work to make our Reading Incentive Program a huge success. We recognized multiple students for outstanding participation as they logged many hours of extra reading. We want Harritt Elementary to be a place where students are engaged to read and to grow in their love for reading. Thank you for partnering with us and for your continued interest and support in

**TAKE CHARGE** OF EDUCATION®

Target's "Take Charge of Education" program is an easy way to support Harritt within your regular spending habits. This last year Harritt received \$126.21 from Target. Visit [www.target.com/tcoe](http://www.target.com/tcoe) for details.

### **Don't Make Summer Vacation Plans Just Yet!**

If we have more snow days in 2015-2016, there is a possibility that we might have to make up a few days at the end of the school year. District policy says if there are full-day, district-wide school closures because of bad weather, we may make up the first three (3) days at the end of the school year.

To be on the safe side, plan your family vacations to start at least a week AFTER school ends for the

Summer. Please note: Late starts and half days will not be made up. Only district-wide, full-day closures will require a makeup day.
