## **GENERAL INFORMATION**

**Office hours:** 8am-4:30 pm

**School hours:** 9:10 am-3:25pm

**Doors open at 9:00 am**

Please do not drop your child any earlier than 10 minutes before this time as there will be no supervision before school hours. Students coming for breakfast may enter the cafeteria area at 8:40am.

**Student pick up time:**

Students must be picked up within 15 minutes of the end of the school day or the after-school activity which they are participating in. Staff supervision is not available after 3:45 and for the safety and security of your child we ask that you help by picking your child up on time.

## **Cafeteria Microwave**

Parents – we seek your help in making our lunch time more efficient and enjoyable. Some students are bringing lunches from home and using the cafeteria microwave to *cook* their lunch (boil water to be added to a meal, etc). The microwave is intended for **reheating** only (think one minute). Also, students must wait until staff can assist with microwave use.
