

Thank You Harritt Community!

Dear Families - We hope you had a great time during your **Kids Heart Challenge** program and are so proud of our students! Thank you for your incredible generosity and support in making our community heart healthy while helping others.

YOU made a difference! And together, we helped save 44 lives while helping our students understand the importance of having a happy and healthy heart! Thank you!

Thank you for helping kids like Finn (age 6) with special hearts!

We know how important it is to take care of our hearts year-round, so for additional tips and resources, visit the [Parents Corner](#) to keep your family healthy. If you haven't completed, [FINN'S MISSIONS](#) yet, you can still log in on the Kids Heart Challenge App for [Apple](#) or [Android](#) or visit <http://www2.heart.org/goto/harritt> to learn Hands Only CPR, the warning signs of a stroke, heart and brain facts, and more!

Thank you again for being a heart hero and helping our school and the American Heart Association create longer, healthier lives!
