

Back to School Night & Kinder Orientation

Tuesday, September 7th

Back to School Night: 5:30-6:30 PM

Kinder Orientation: 5:00-5:30 PM

Harritt will be hosting our Back to School Night and Kinder Orientation where families can come in and meet their teachers and bring their supplies to school. Students will get to have a sneak peek at what they will be doing their first day and check out what their classroom looks like.

For safety reasons, only one adult per family at this event and access to student classrooms will be from outside doors.

All family members will need to wear masks while in the classrooms.
